Firestorm 2007 from Lt. Secka

All personnel,

I would like to take a moment to acknowledge the OUTSTANDING effort of every member of this department during this most extraordinary week. We have been called upon to help not only our campus community, but also the San Diego community at large and our response has been superior! Although we are not out of the woods just yet, a quick thank you:

- To our police officers who have worked tireless hours in very challenging conditions assisting with the mutual aid effort.
- To our officers who have "held down the fort" here on campus.
- To our dispatchers who have altered hours and managed to keep us all in touch.
- To our CSO's who, despite having classes cancelled, have helped in staffing the evacuation center and with other specialty assignments.
- To our academy recruits who have also helped in dispatch and at the evacuation center.
- To our records staff who have filled in, in dispatch and volunteered their assistance out in the community.
- To our detective unit for helping out in dispatch and also keeping our on-going cases current.

To date our officers have committed over 322 hours, and driven over 1,800 miles in direct support of the mutual aid effort.

Again, thank you all for your hard work and dedication to your profession!

- Lt. Secka
